**VINEA WINE & SPIRITS IN NASHVILLE, TENNESSEE TO CELEBRATE  
ITS SUCCESSFUL LAUNCH WITH “OPEN HOUSE” EVENT**

**Nashville, TN** – Vinea Wine & Spirits, Nashville’s new premium outlet for fine wines, liqueurs and liquor selections, today announced that it will host an **Open House** on **Saturday, February 10<sup>th</sup> from 1:00 – 5:00 pm** (central). A healthy turnout is expected at the event, which will be open to the public, at Vinea’s **2410 12<sup>th</sup> Avenue South** location.

“We’ll be offering live music and some great specialty food items from Corrieri’s Formaggeria at Vinea this coming Saturday, and also several first-rate wines for guests to sample on the heated patio at next-door MAFIAoZA’s,” according to Kristen Maharrey, Co-owner of Vinea. “Given the enthusiastic customer base we’ve already seen during these past few months at Vinea, our upcoming Open House event is sure to be a hit.”

Wines for guests to sample at the Open House will include Anselmi San Vincenzo Soave and Bertani Velante Pinot Grigio, as well as several selections from the esteemed Feudi di San Gregorio estate, located in southern Italy’s Campania region.

“Our Open House is our way of saying ‘thank you’ to folks in Nashville who’ve made sure that Vinea got off to such a strong start,” noted Vinea Proprietor Brett Corrieri, who also serves as Corporate Chef and Catering Director of Nashville’s popular MAFIAoZA’s restaurant. “Appreciation for fine wines – at all price points – has really taken off in Nashville, and we feel fortunate that we’ve been able to meet the demand residents have in this city for great wine options.”

Since its November 2006 launch, Vinea quickly has become known for its expansive range of wine offerings, knowledgeable sales staff, flawless customer service and the authentic Tuscan ambiance which greets patrons as they walk through the front door. The wine boutique offers top-notch wines from throughout the world, but specializes in Italian varietals. “We take great care in choosing the wines we offer customers at Vinea, and only select wines that we personally vouch for and enjoy,” Maharrey said, adding that a larger “contingent” of wines from Italy always seem to make its way onto Vinea’s list of favorites.
